Laserfiche welcomes Nine Peaks Solutions LLC as the latest authorized Value Added Reseller (VAR) to provide enterprise content management (ECM) solutions to clients.

With over three decades of experience in the technology field, Nine Peaks Solutions specializes in providing technology consulting, services and custom development for Microsoft products, as well as CORT and NuView Payroll and HR systems.

“Nine Peaks has had great success providing innovative IT solutions, so we’re pleased to add leading-edge Laserfiche technology to our arsenal,” said Eric Skidmore, Managing Partner at Nine Peaks Solutions. “We excel at solving business problems and helping clients enhance efficiency, so we’re very excited about joining Laserfiche’s Five-Star VAR program.”

Laserfiche, which received the Five-Star rating in The Channel Company’s 2015 CRN Partner Program Guide in recognition of its outstanding channel program, first received this honor in 2003.

“The Laserfiche VAR Program has launched many multimillion dollar businesses,” said Hedy Belttary, Vice President of Sales at Laserfiche. “We believe that Nine Peaks has the technical expertise necessary to create
